MasterFlush™ Toilet Flush Switches, Indicators

User-friendly flushing operation

Complete the luxurious appeal of SeaLand® MasterFlush all-ceramic toilets with this selection of marine-grade wall-mounted flush switches. SeaLand models are complete and ready to install, while Vimar and Gewiss models require additional mounting hardware that complements or integrates with the boat's existing electronic trim (order separately from manufacturer; see contact information below).

MasterFlush Touchpad

MasterFlush touchpad includes "add water" and "flush" functions, "power on" and "full tank" indicator lights. Also available in white.

(2) Included with 8100 series MasterFlush toilets as standard.
(3) Gewiss Playbus-style switch is being discontinued by manufacturer in 2010.
Specifications subject to change without notice.

MasterFlush™ Status Panels

Assures SeaLand macerator toilet readiness

DMS Status Panel

Designed primarily for 8700 series MasterFlush toilets with electronic flush handles, the SeaLand DMS panel indicates when electrical power to the toilet system is turned on (green light), and when the holding tank is full (red light) if connected to a SeaLand tank monitor. The red light also indicates that electrical power to the toilet is shut off to prevent overfill of the holding tank..

Key Benefits

- Continuous monitoring of toilet system's power status and flush readiness
- Indicates when toilet is ready to flush (green light), and when waste holding tank is full and toilet power is off (red light)
- Operates on only 16 mA @12 V DC or 24 V DC
- Complements other SeaLand panels and controls

Item no. 313722000 - 12/24 V DC, black
Item no. 313722001 - 12/24 V DC, white

Dimensions
3.25 in. w x 2 in. h / 83 mm x 51 mm

DNF Status Panel

SeaLand "Do Not Flush" panel connects to MasterFlush or other SeaLand toilet system to indicate that the holding tank is full.

Key Benefits

- Operates on only 16 mA @12 V DC or 24 V DC
- Complements other SeaLand panels and controls

Item no. 313712000 - 12/24 V DC, black
Item no. 313712001 - 12/24 V DC, white

Dimensions
3.25 in. w x 2 in. h / 83 mm x 51 mm
