SANIPOTTIE PORTABLE TOILETS

Convenience Of Home, Anywhere You Travel

The 960 series of convenient portable toilets have long been relied upon by recreational boat users. Simple to use, available in two colors and self-contained, these adult-sized toilets have a bellows style flush for a reassuringly clean rinse every time.

Strong And Durable

With high-density polyethylene construction, SaniPottie 960 series portable toilets have withstood the rugged demands of boaters and campers for more than 30 years. Their lightweight portability and easy-to-use features make them a camping favorite all over the world.

Key Benefits

- High-density polyethylene construction withstands demanding conditions
- Easy-to-clean, scratch-resistant finish
