

# 35K FURNACE ESSENTIAL

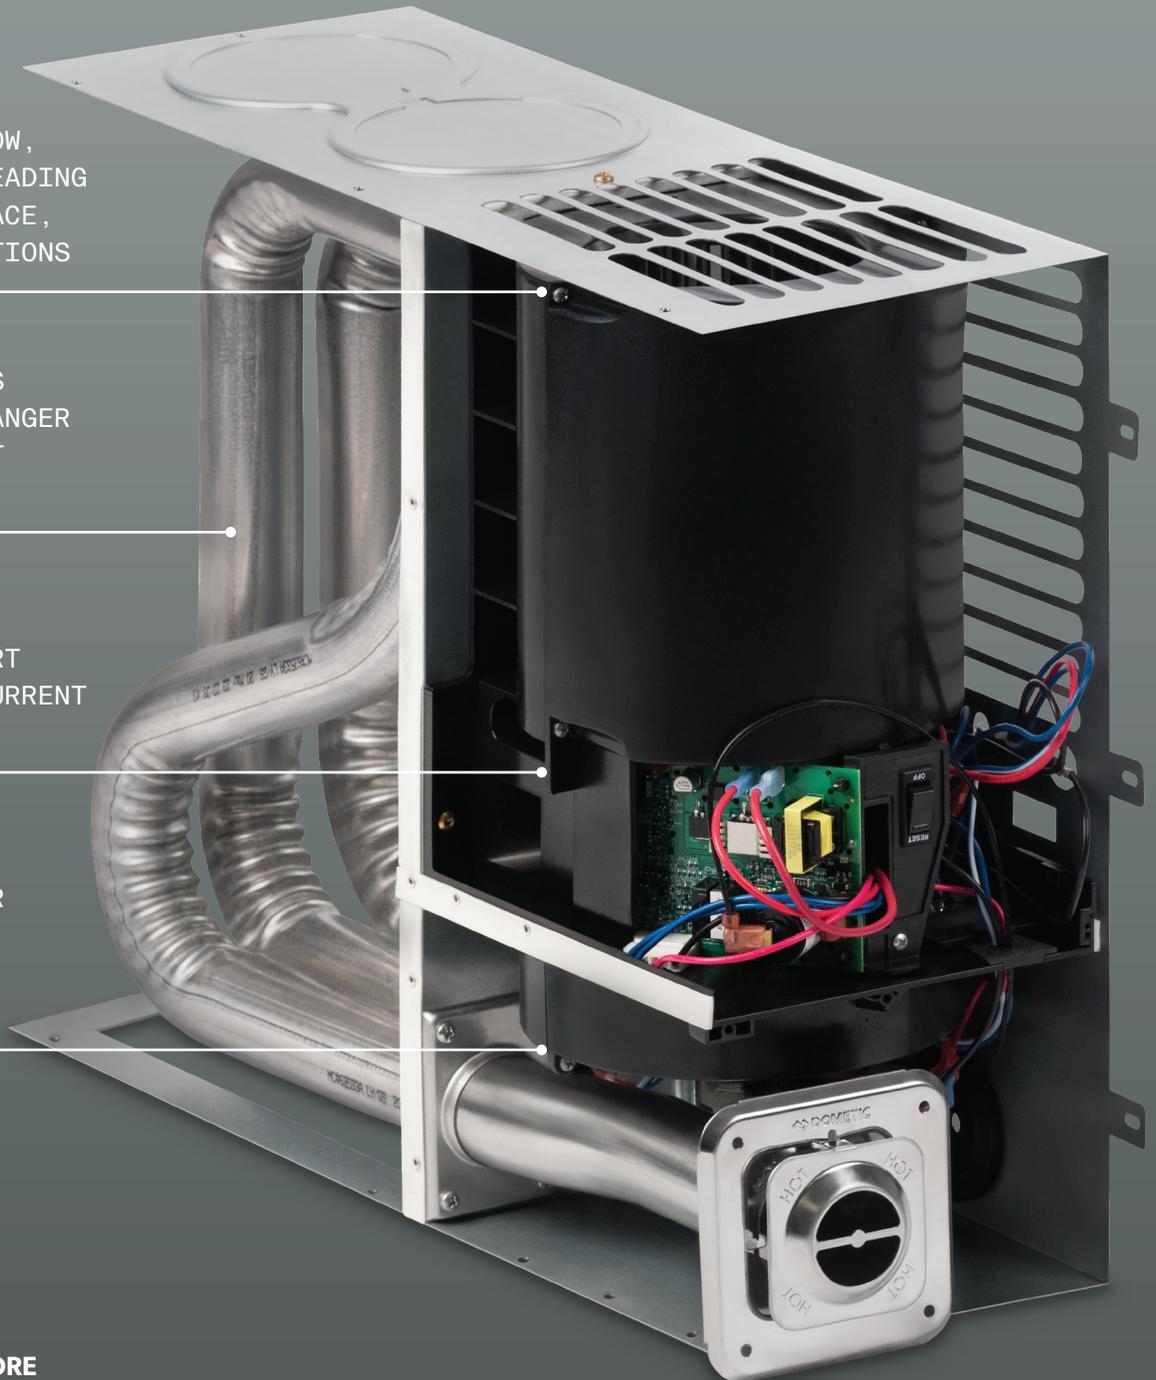

SMARTER, STRONGER, AND MORE DURABLE THAN EVER

18-22% MORE AIRFLOW,  
COMPARED TO THE LEADING  
COMPETITOR'S FURNACE,  
IN DUCTED APPLICATIONS

ONE-PIECE, SEAMLESS  
TUBULAR HEAT EXCHANGER  
DELIVERS EFFICIENT  
HEAT TRANSFER

ON-BOARD SOFT START  
REDUCES IN-RUSH CURRENT  
UP TO 80%

PATENT-PENDING  
HALL EFFECT SENSOR  
ELIMINATES MOVING  
PARTS FOR GREATER  
DURABILITY

# THE FURNACE FOR GREATER RELIABILITY WAY DOWN THE ROAD

With 18-22% more airflow than the leading competitor's furnace, the new 35K puts more heat in more places, eliminating cold spots. The one-piece tubular heat exchanger ensures zero backflow of gasses or cracking when compared to clamshell heat exchangers. Our advanced air baffle design delivers even airflow distribution throughout the cabin. This is advanced RV heating, with the introduction of automotive-grade Hall Effect Sensor technology – offering a more durable, debris-resistant alternative to traditional sail switches for improved reliability.

Item Number	Product Model	Size	BTU	Gas Type	Door Type	Packaging Type	Input Voltage	Amp Draw	Product Weight	Dimensions
9610007792	DFMDH35111	Medium	35K	LPG	Door	Single	12V DC	11.1	26 lbs	H: 7" x W: 16.5" x D: 20"
9610007794	DFMDH35121	Medium	35K	LPG	Door-Less	Single	12V DC	11.1	26 lbs	H: 7" x W: 16.5" x D: 20"

## KEY BENEFITS

- The first Hall Effect Sensor in the industry; replaces sail switch
- Blower assembly kit provides ideal upgrade opportunity for older 35k furnaces
- 18-22% more airflow than leading competitor's furnace in ducted applications
- No cold spots common with other brands' furnaces
- More even heat distribution than competitors, even in large RVs
- Only furnace with onboard Soft Start as standard for slow ramp-up, less noise, and no tripped breakers at start-up
- Local supply chain for faster service turnaround times

## SERVICE BENEFITS

- **3 new service/spare parts kits available:**
  - Blower Assembly Kit (Soft Start, APS, Wiring DFMD35) SKU 4471014890
  - DC Wire Harness (Hall Effect, DFMD) SKU 4471014888
  - APS (Hall Effect Air Proving Switch) SKU 4471014889
- Four 4" duct adapters and two mounting brackets with fasteners included
- Existing accessories compatible with new 35k furnace, including multiple kits, adapters, and plenums
- Easily replaces competitor furnaces within the same configuration
- Available in door and no door models with horizontal or vertical installation
