LOW PROFILE MAXIMISES INTERIOR SPACE

Dometic Oceanair Skyscreen Pleated has a low profile design to maximise headroom in the cabin. Lightweight and compact, the blind is easy to use with integrated, magnetic handles. Its stylish powder coated aluminium cassette is also very durable, while the flyscreen allows air into the cabin for a fresh interior. A blackout only option is available for fixed hatches that do not open. The full skyscreen range provides a completely clear hatch aperture when the blinds are stowed, ensuring you can enjoy an unobstructed view.

BENEFITS WITH SKYSCREEN PLEATED

- Stylish powder coated aluminium cassette is also very durable
- Slim cassette ensures minimal impact on headroom
- Easy to use lightweight blind with integrated, magnetic handles
- Suitable for angled hatches (shaped)
- Concealed or surface mounted option
- Brush strip to keeps insects out
- White or beige hardware colour
